Old Business

The District 2 guidelines were still being revised.

New Business

A motion was made for District 2 to contribute \$200 to another district to help with the cost of hosting an assembly. Terry C. voiced her opinion that she had no problem with the District sending the money to the area to do with as their conscience dictated. She also brought up the fact that a few months ago a request was made for money for Corrections literature which was tabled until later because of the need for money for an assembly. She then resigned and left.
