1st Quarter
Area 64 Assembly
Jan. 8th 9th 10th.
Knoxville, TN

Thank you again to Central Group for sending me as your G.S.R. to the Area 64 Assembly. The following is my report. There is a copy of the Area 64 Assembly 2010 Approved Budget with the report. If you are a member of Central Group, you are welcome to look at this document.

There was 131 Voting members that signed the roll call book at registration, plus all the other members that were there that were there just to learn about how Area 64 is ran as a whole. We are now registered with the I.R.S. as Area 64 Assembly.

I want to let you all know that I am now on the Budget and Finance Committee for Area 64. I was appointed on Sunday at the Business meeting.

Some of the Items that were on the agenda that I voted on are as follows;

1. Motion to hold items that are to be destroyed by Archives for 30 days for A.A. people to pick up if they want them, on a first come first serve basis. I voted "for" this and it passed.
The items will be destroyed February 9th if they are not picked up by A.A. members. The Items are as follows:
 - a. 277 Messengers
 - b. 305 Box 459
 - c. 54 World Wide Directories
 - d. 59 Conference Reports

Individual Financial Reports from Individual Committes be included in the Minutes, I voted "For" and the motion was passed.

There was a Motion that we elect a new Alt Treasure for Area 64 as the current one had to step down as to personal reasons. There were 4 original nominee's including

Kate B. - 35

DeWayne L. - 32

Allen W. - 23

April W. - 14

There were 104 votes total. There was not enough so we had to go just the two top members being:

Kate B. - 50

DeWayne L. - 57

DeWayne L. is our new Alt Treasure for Area 64. DeWayne is from Memphis, TN.

Assembly & Conventions Guidelines Amended and approved be in the minutes,

I voted "for" and the motion passed.

The Amended Guidelines are from January 2010 to be used and worked on from there. There was quit a lot of discussion about this subject with it starting to go no where. However, the motion was made to use these guidelines from January 2010 to have a starting point to go from. I voted "for" and the motion passed.
